Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2016 Form 471 deadline so that Stratford Friends School's Form 471 E-Rate application will be considered as having been filed within the filing window.

The Form 471 was certified on June 3, 2016.

The Form 471 is for Category 2 services. At the time of the deadline, I did not know that the IT Director has signed a new agreement with CDW-G for firewall, switches and UPS. The agreement was bid properly and signed according to E-Rate rules. The only failure was my not including the new agreement in the 471 that I filed prior to the deadline.

The new contracts covers Firewall, Switches and UPS. Not receiving the E-Rate funding will substantially impact the operation budget of Stratford Friends School.

I request that the 471, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky  
E-Rate Manager  
Stratford Friends School
